Ngo Tan Hung

Back-end Developer

About Me

Hello! I'm **Ngo Tan Hung**. I am passionate about working with computers. I spend hours and hours researching cool stuff on the computer. I love handling user data on a Website or mobile app.

I can easily capitalize on low hanging fruits and quickly maximize timely deliverables for real-time schemas.

Work Experience

○ Frontend Developer at School

May, 2021 - Present

Leverage agile frameworks to provide a robust synopsis for high level overviews. Iterative approaches to corporate strategy foster collaborative thinking to further the overall value proposition.

○ Backend Deverloper at Home

June, 2023 - Present

Override the digital divide with additional clickthroughs from DevOps. Nanotechnology immersion along the information highway will close the loop on focusing solely on the bottom line.

Education

○ Bachelor of Information Technology from Information Technology Ho Chi Minh City College of Economics

2021 - 2023

References

Vo Van Thuong
President of Vietnam

" Ngo displays exemplary professionalism and is able to take on challenges. He learns quickly and is an asset to any team.

Nguyen Phu Trong
General Secretary of the Communist Party of Vietnam

" Ngo is a great and problem solver. He is quick to extend his helping hand and
makes a good team player.
